ATTITUDE

To be positive in dealing with others, to believe in yourself, and to approach challenges with optimism.

The architecture of City Hall contains many interesting shapes. What shapes do you see? Draw them below!

Now use those shapes to create a building of your own!

City Hall

The City Hall building was constructed in 1894, but did not become City Hall until 1938. Administrative offices are now located in the Busch Municipal Building, yet City Hall continues to house some City offices, as well as the Springfield History Museum.

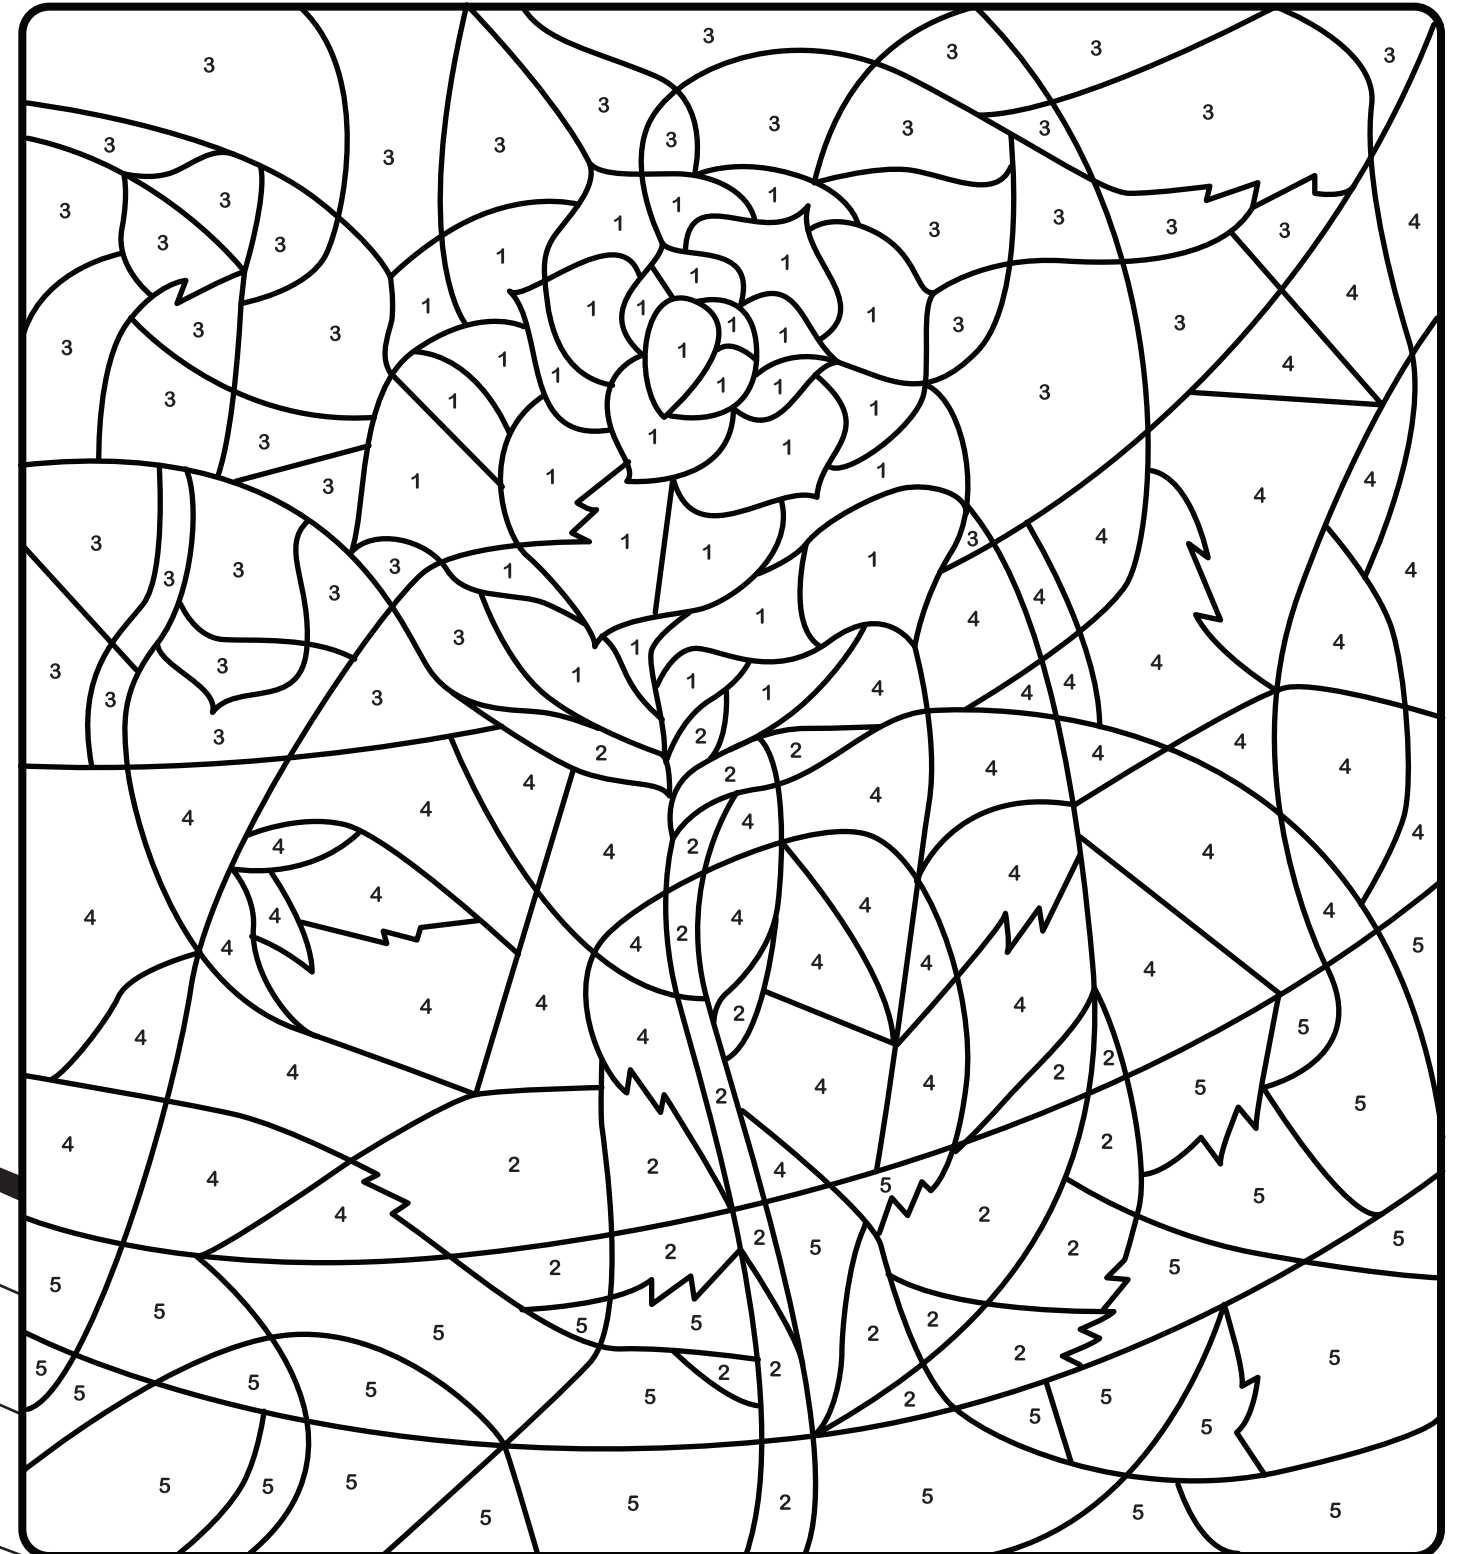

To be polite and considerate, to act with manners,
and to be generous and helpful with others.

Courtesy

Color the shapes according to the
key to find the secret picture!

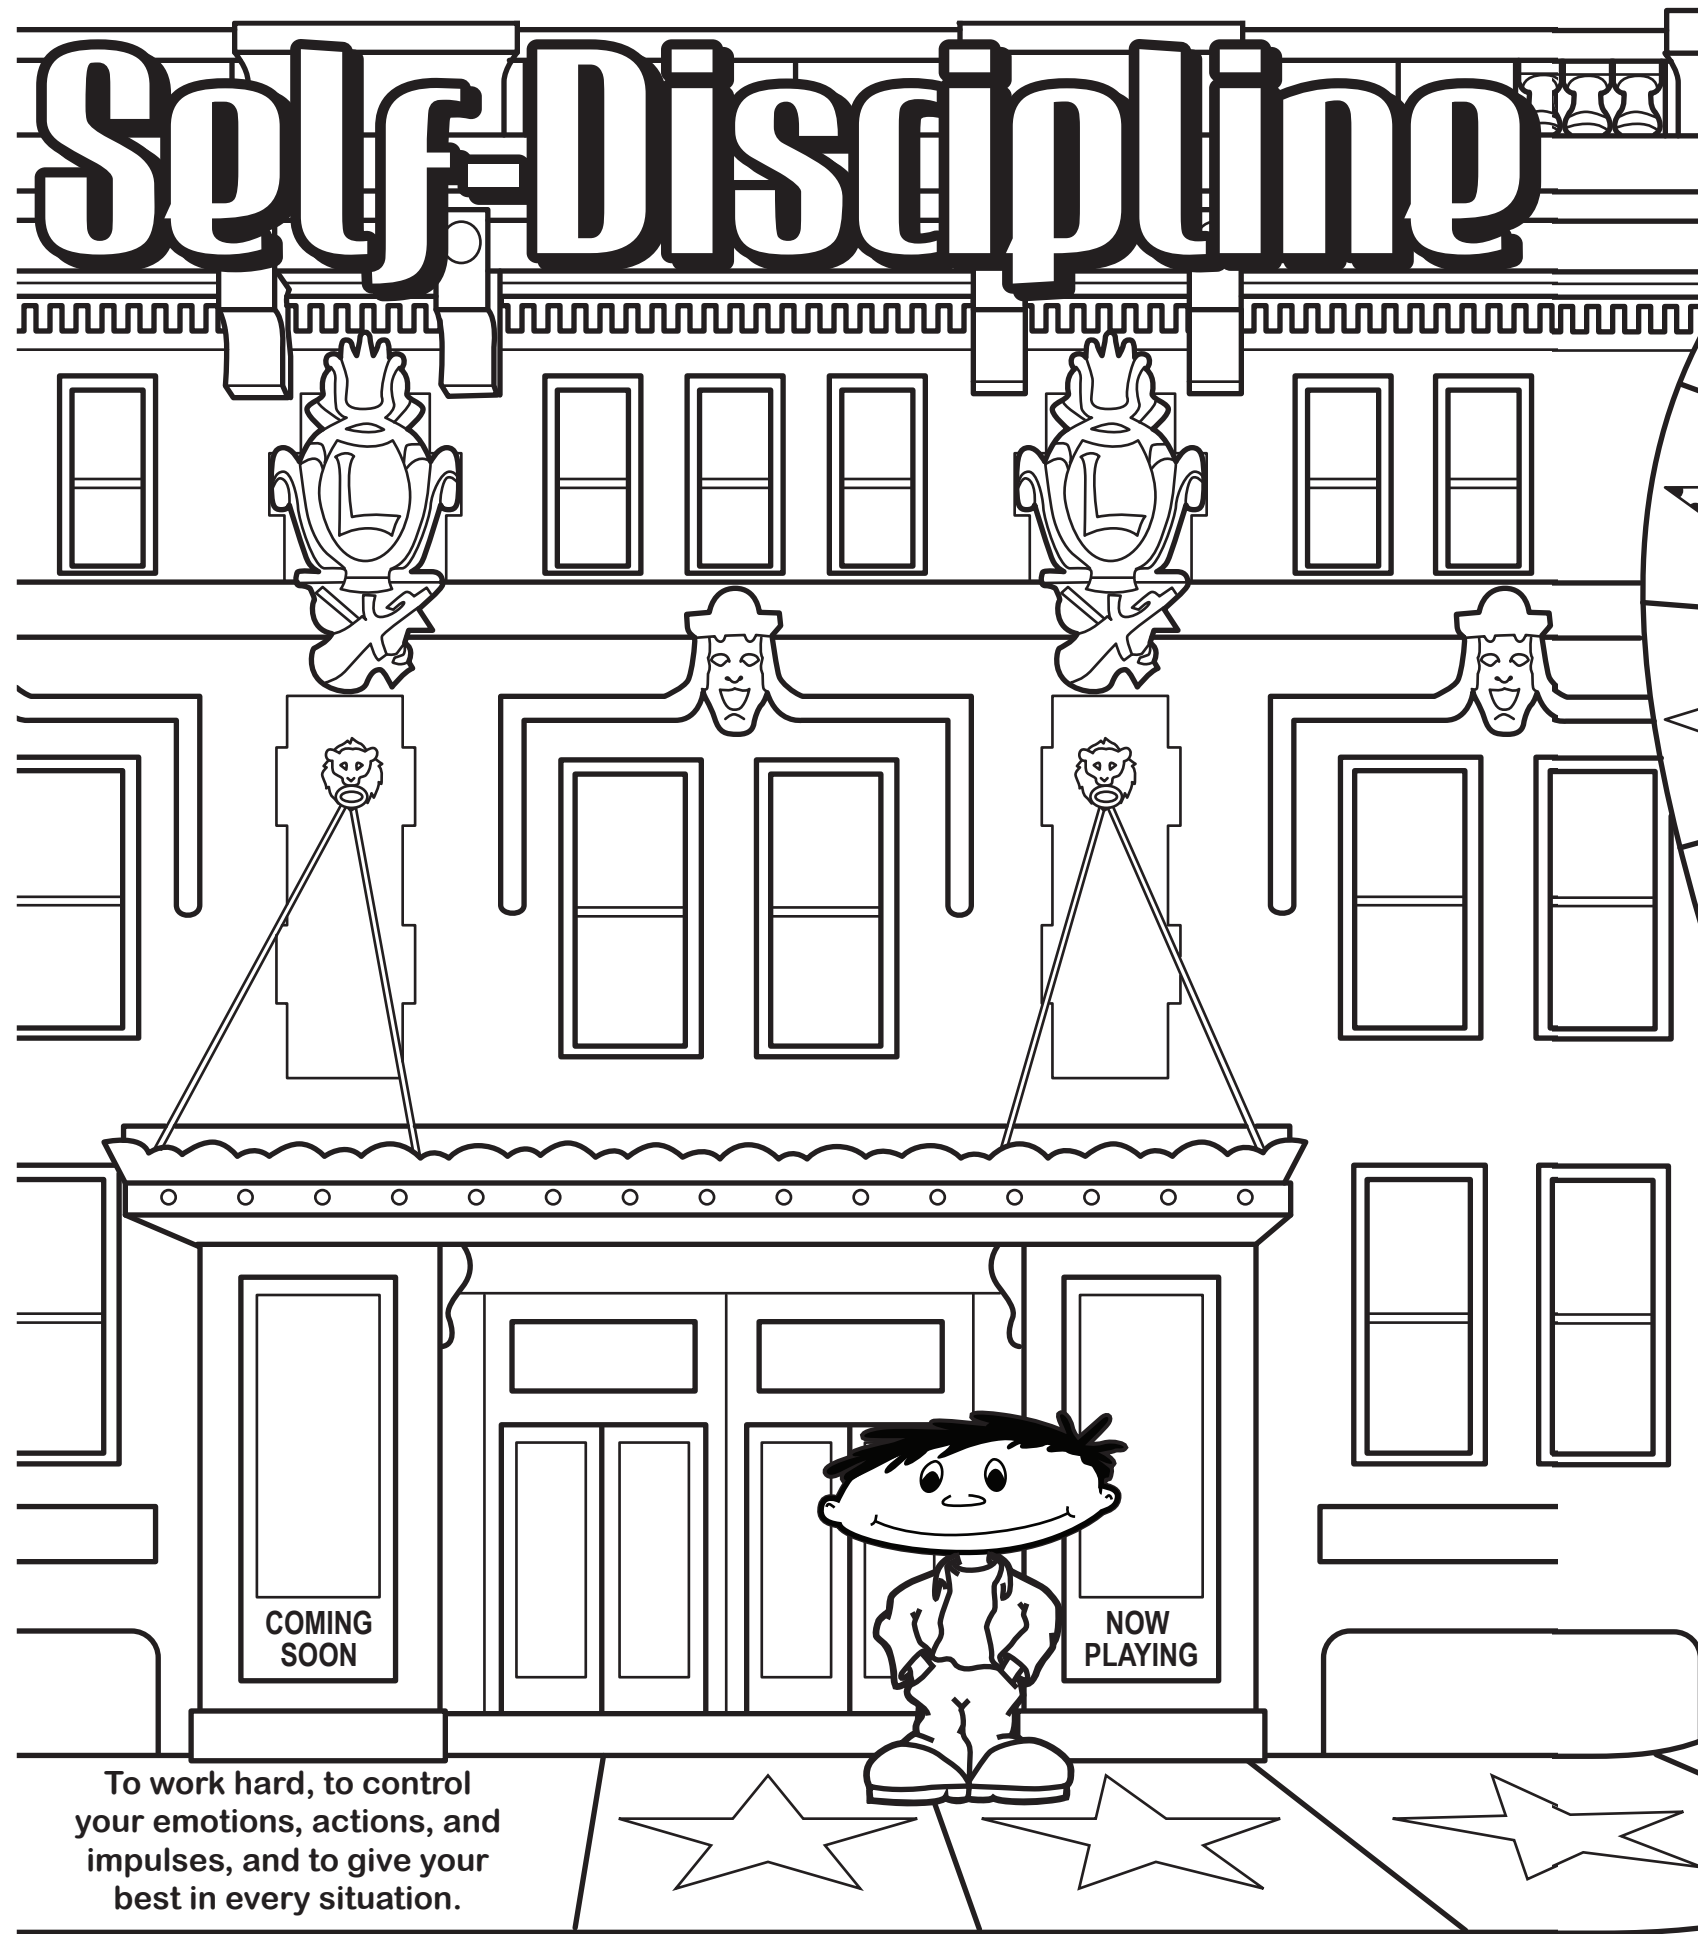

- 1 = Red
- 2 = Green
- 3 = Yellow
- 4 = Orange
- 5 = Blue

Springfield Opera

The Springfield Opera is a locally operated organization that presents opera in all of the city's performance venues, usually starring local singers and musicians in fully staged productions.

Self-Discipline

To work hard, to control your emotions, actions, and impulses, and to give your best in every situation.

How many stars can you count on this page?

How many stars are solid black?

How many have horizontal stripes?

(Hint: HORIZONTAL means left and right, VERTICAL means up and down)

How many have polka dots?

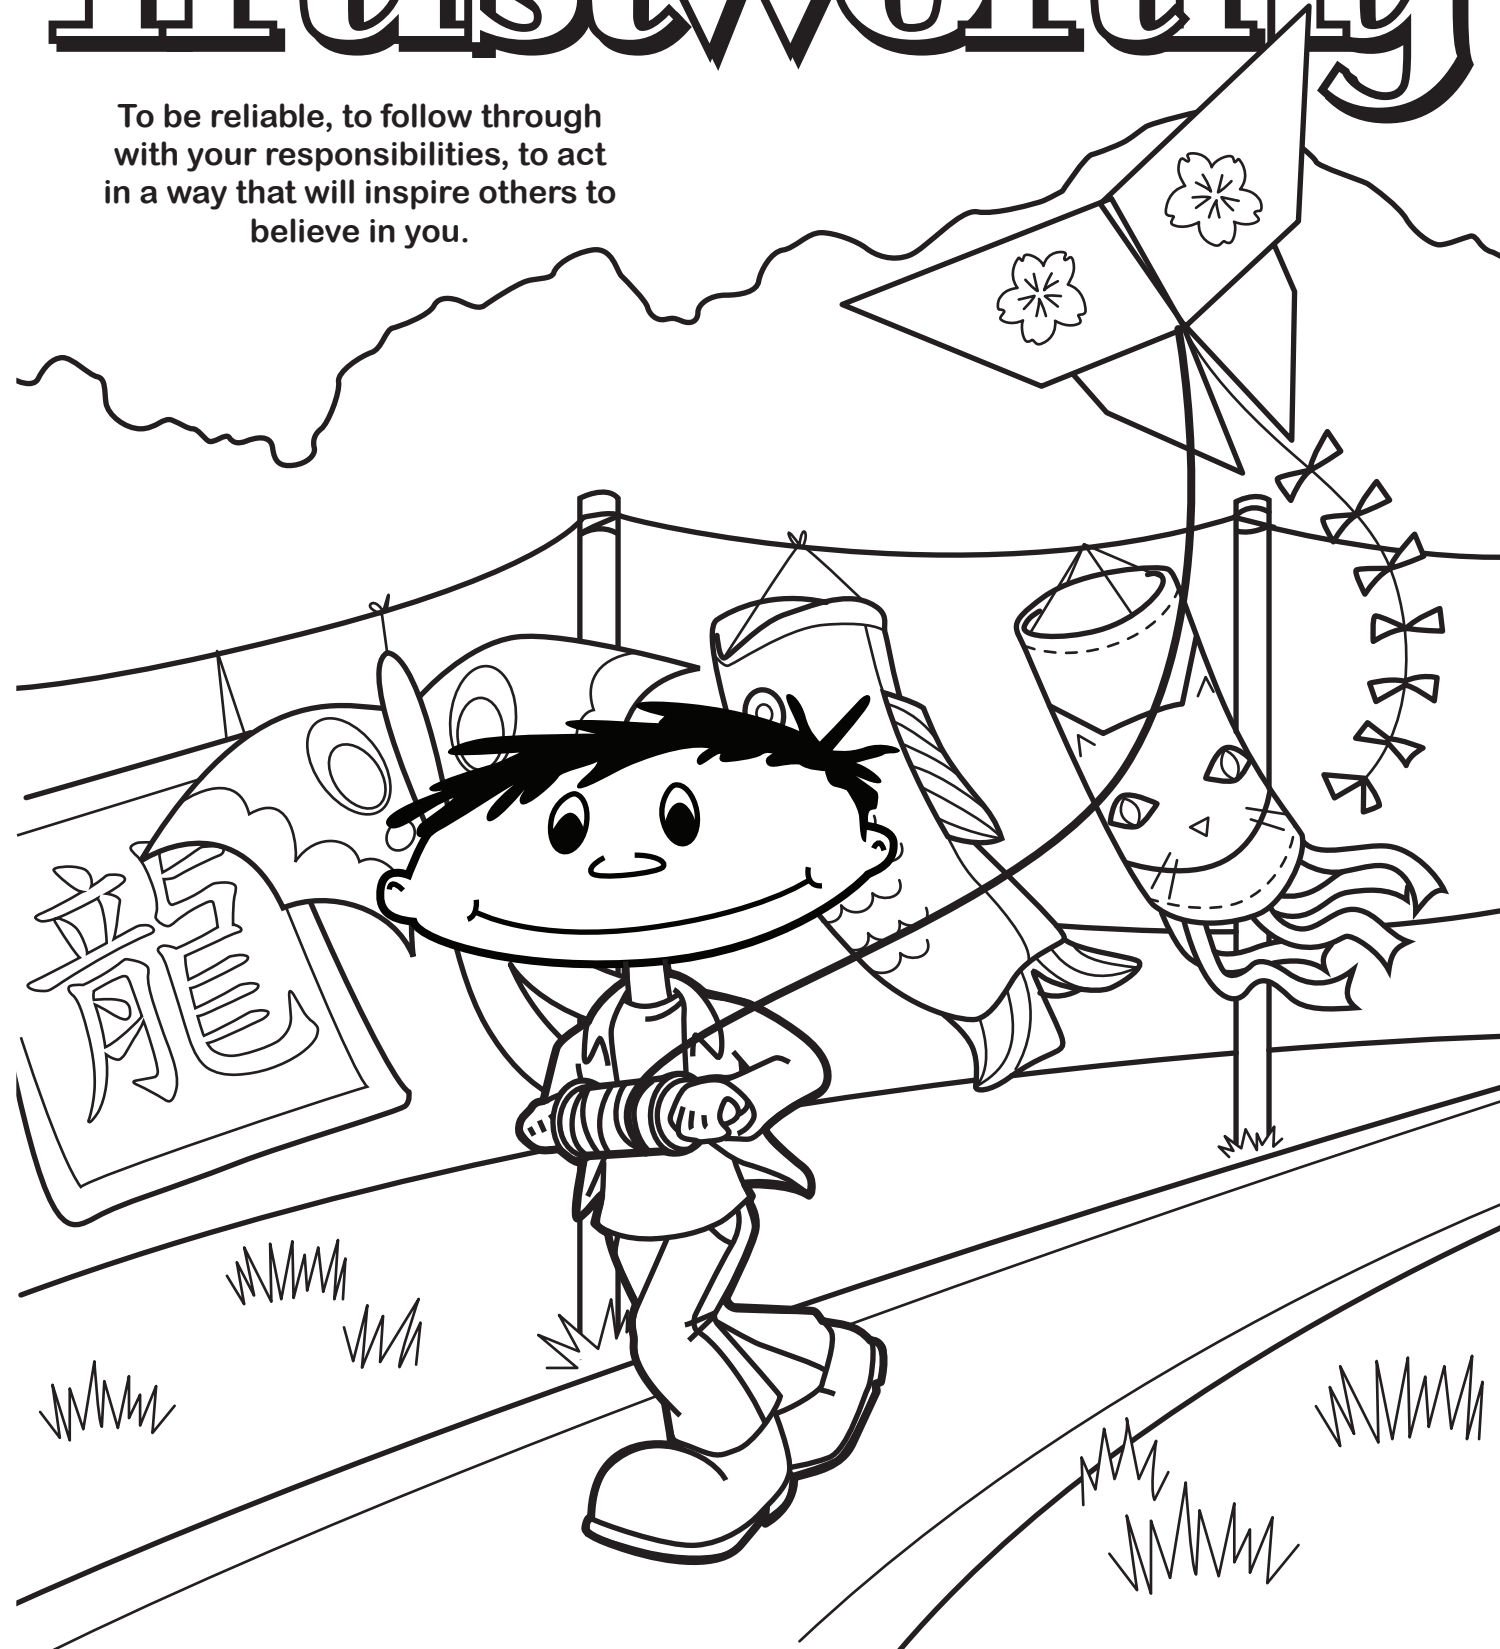

How many are plain white?

Color in the white stars

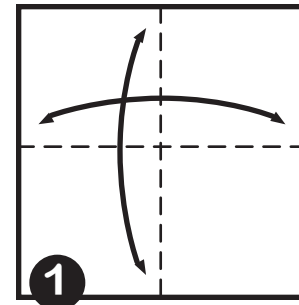

Springfield Little Theatre with patterns of your own!
 The Springfield Little Theatre organization, founded in 1934, bought the Landers Theatre in 1970. It is a national historic site and is Missouri's oldest and largest civic theatre.

Trustworthy

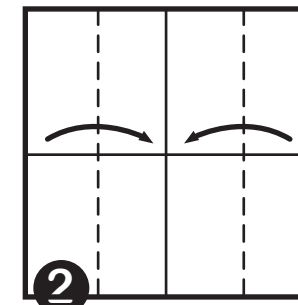

To be reliable, to follow through with your responsibilities, to act in a way that will inspire others to believe in you.

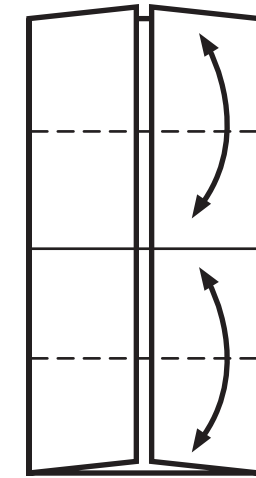

Fold an Origami Butterfly Kite of your own!

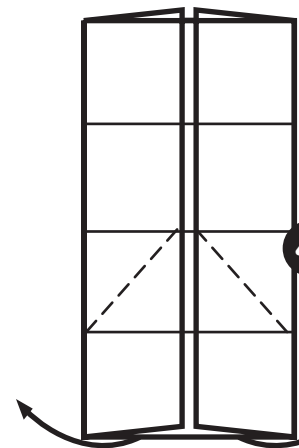

1 Start with a square piece of paper. Fold in half both ways and unfold.

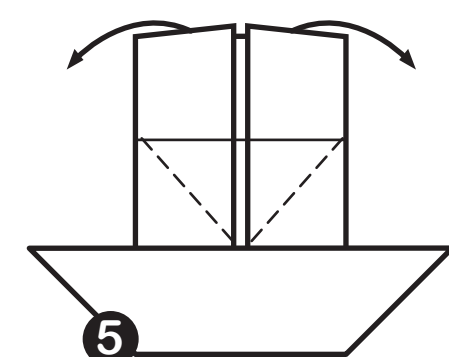

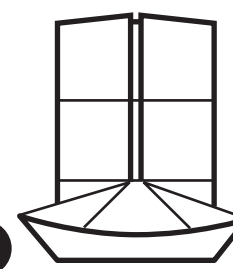

2 Fold each outside edge to meet at the center crease.

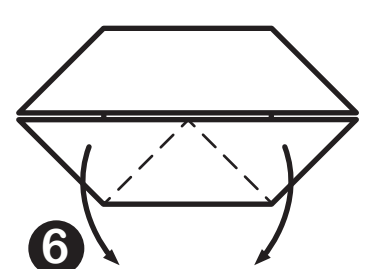

3 Fold top and bottom to meet at the center and unfold.

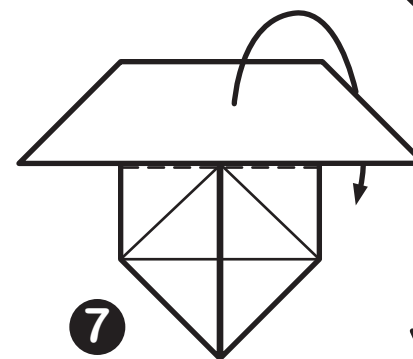

4 Fold sides upward on dotted lines and existing creases.

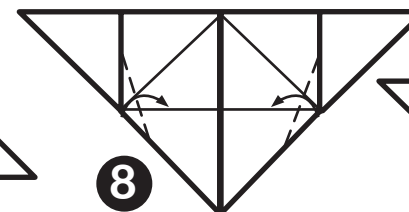

5 Repeat on top half.

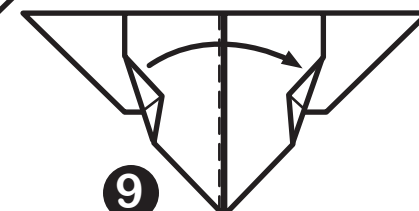

6 Fold corners down on the dotted lines.

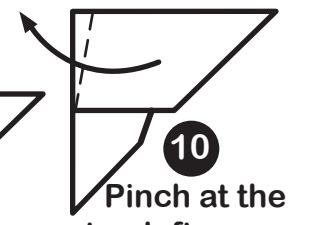

7 Fold top half behind on dotted line.

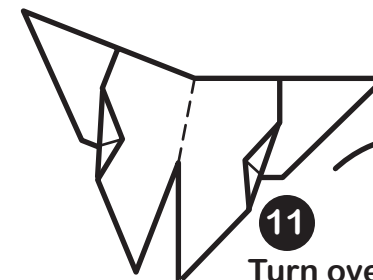

8 Fold corners in as shown.

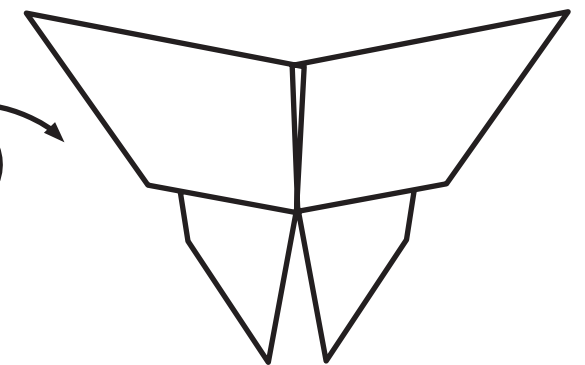

9 Fold in half.

10 Pinch at the top left corner and fold both sides out on the dotted line.

11 Turn over.

Cherry Blossom Kite Festival

Dependable

To be consistent in your actions and behavior, and to be steadfast in doing what is needed or expected of you.

Artsfest features many talented artists. You can be one too.
Create your masterpiece here!

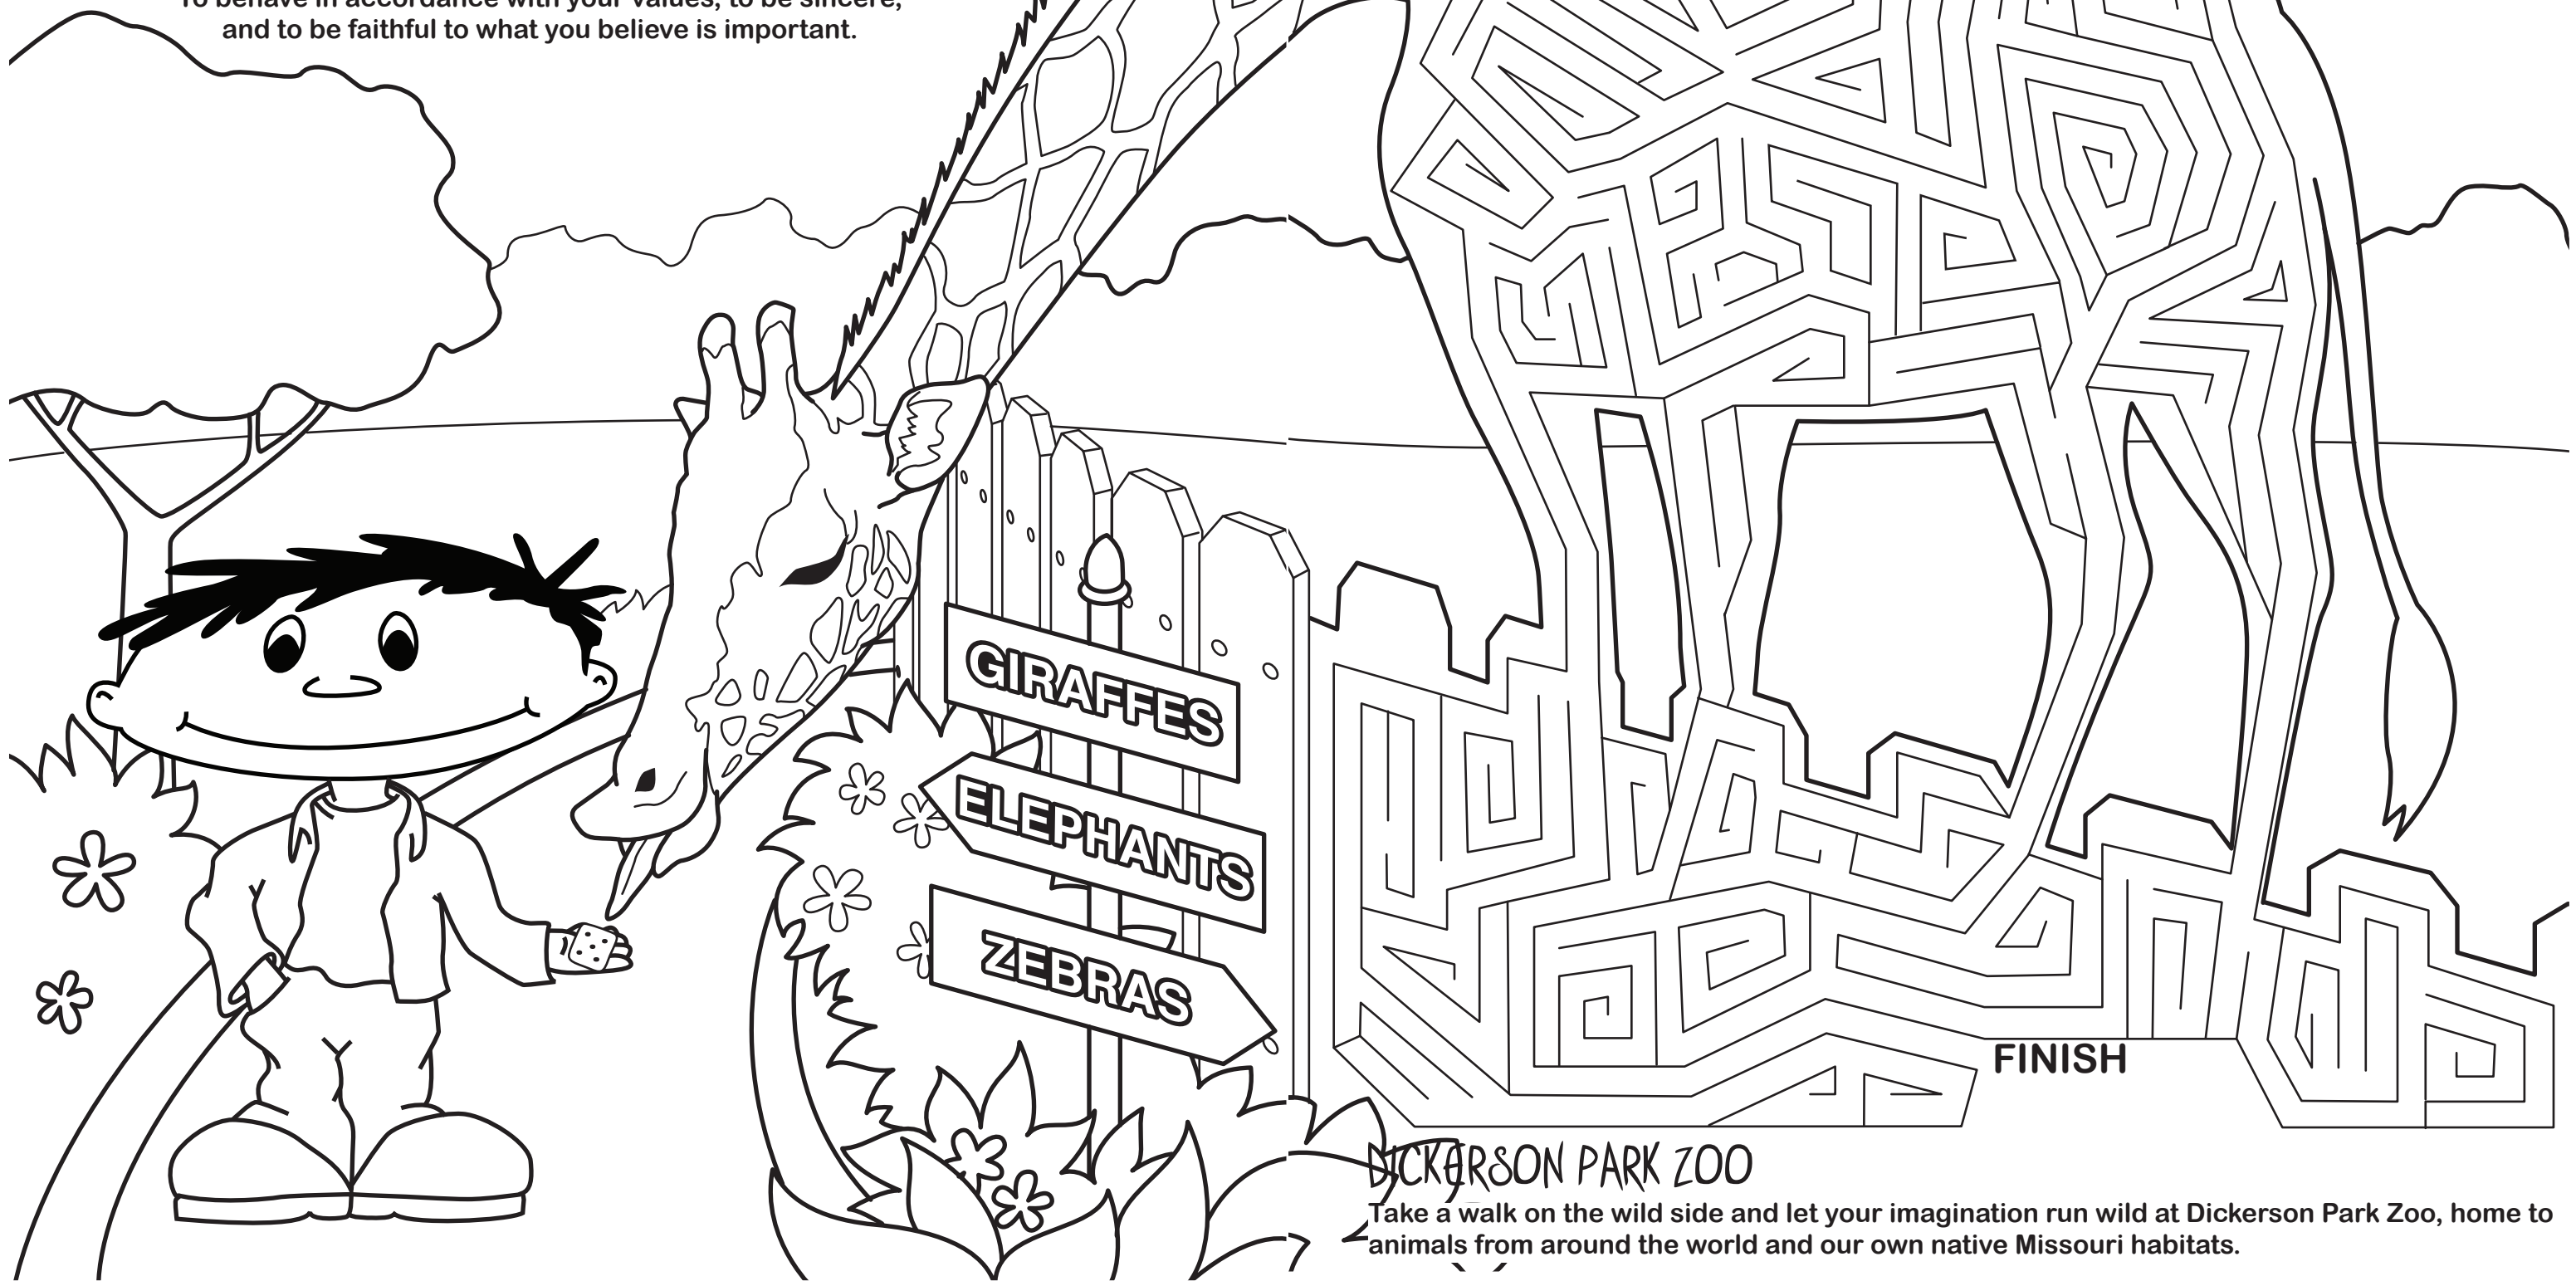

Artsfest

Artsfest is a celebration of the visual and performing arts, held each year the first full weekend in May on Walnut Street. A wide variety of artists' booths and stage performances attract crowds of all ages to this fun weekend event.

INTEGRITY

To behave in accordance with your values, to be sincere, and to be faithful to what you believe is important.

START

See if you can find your way through this giraffe maze!

FINISH

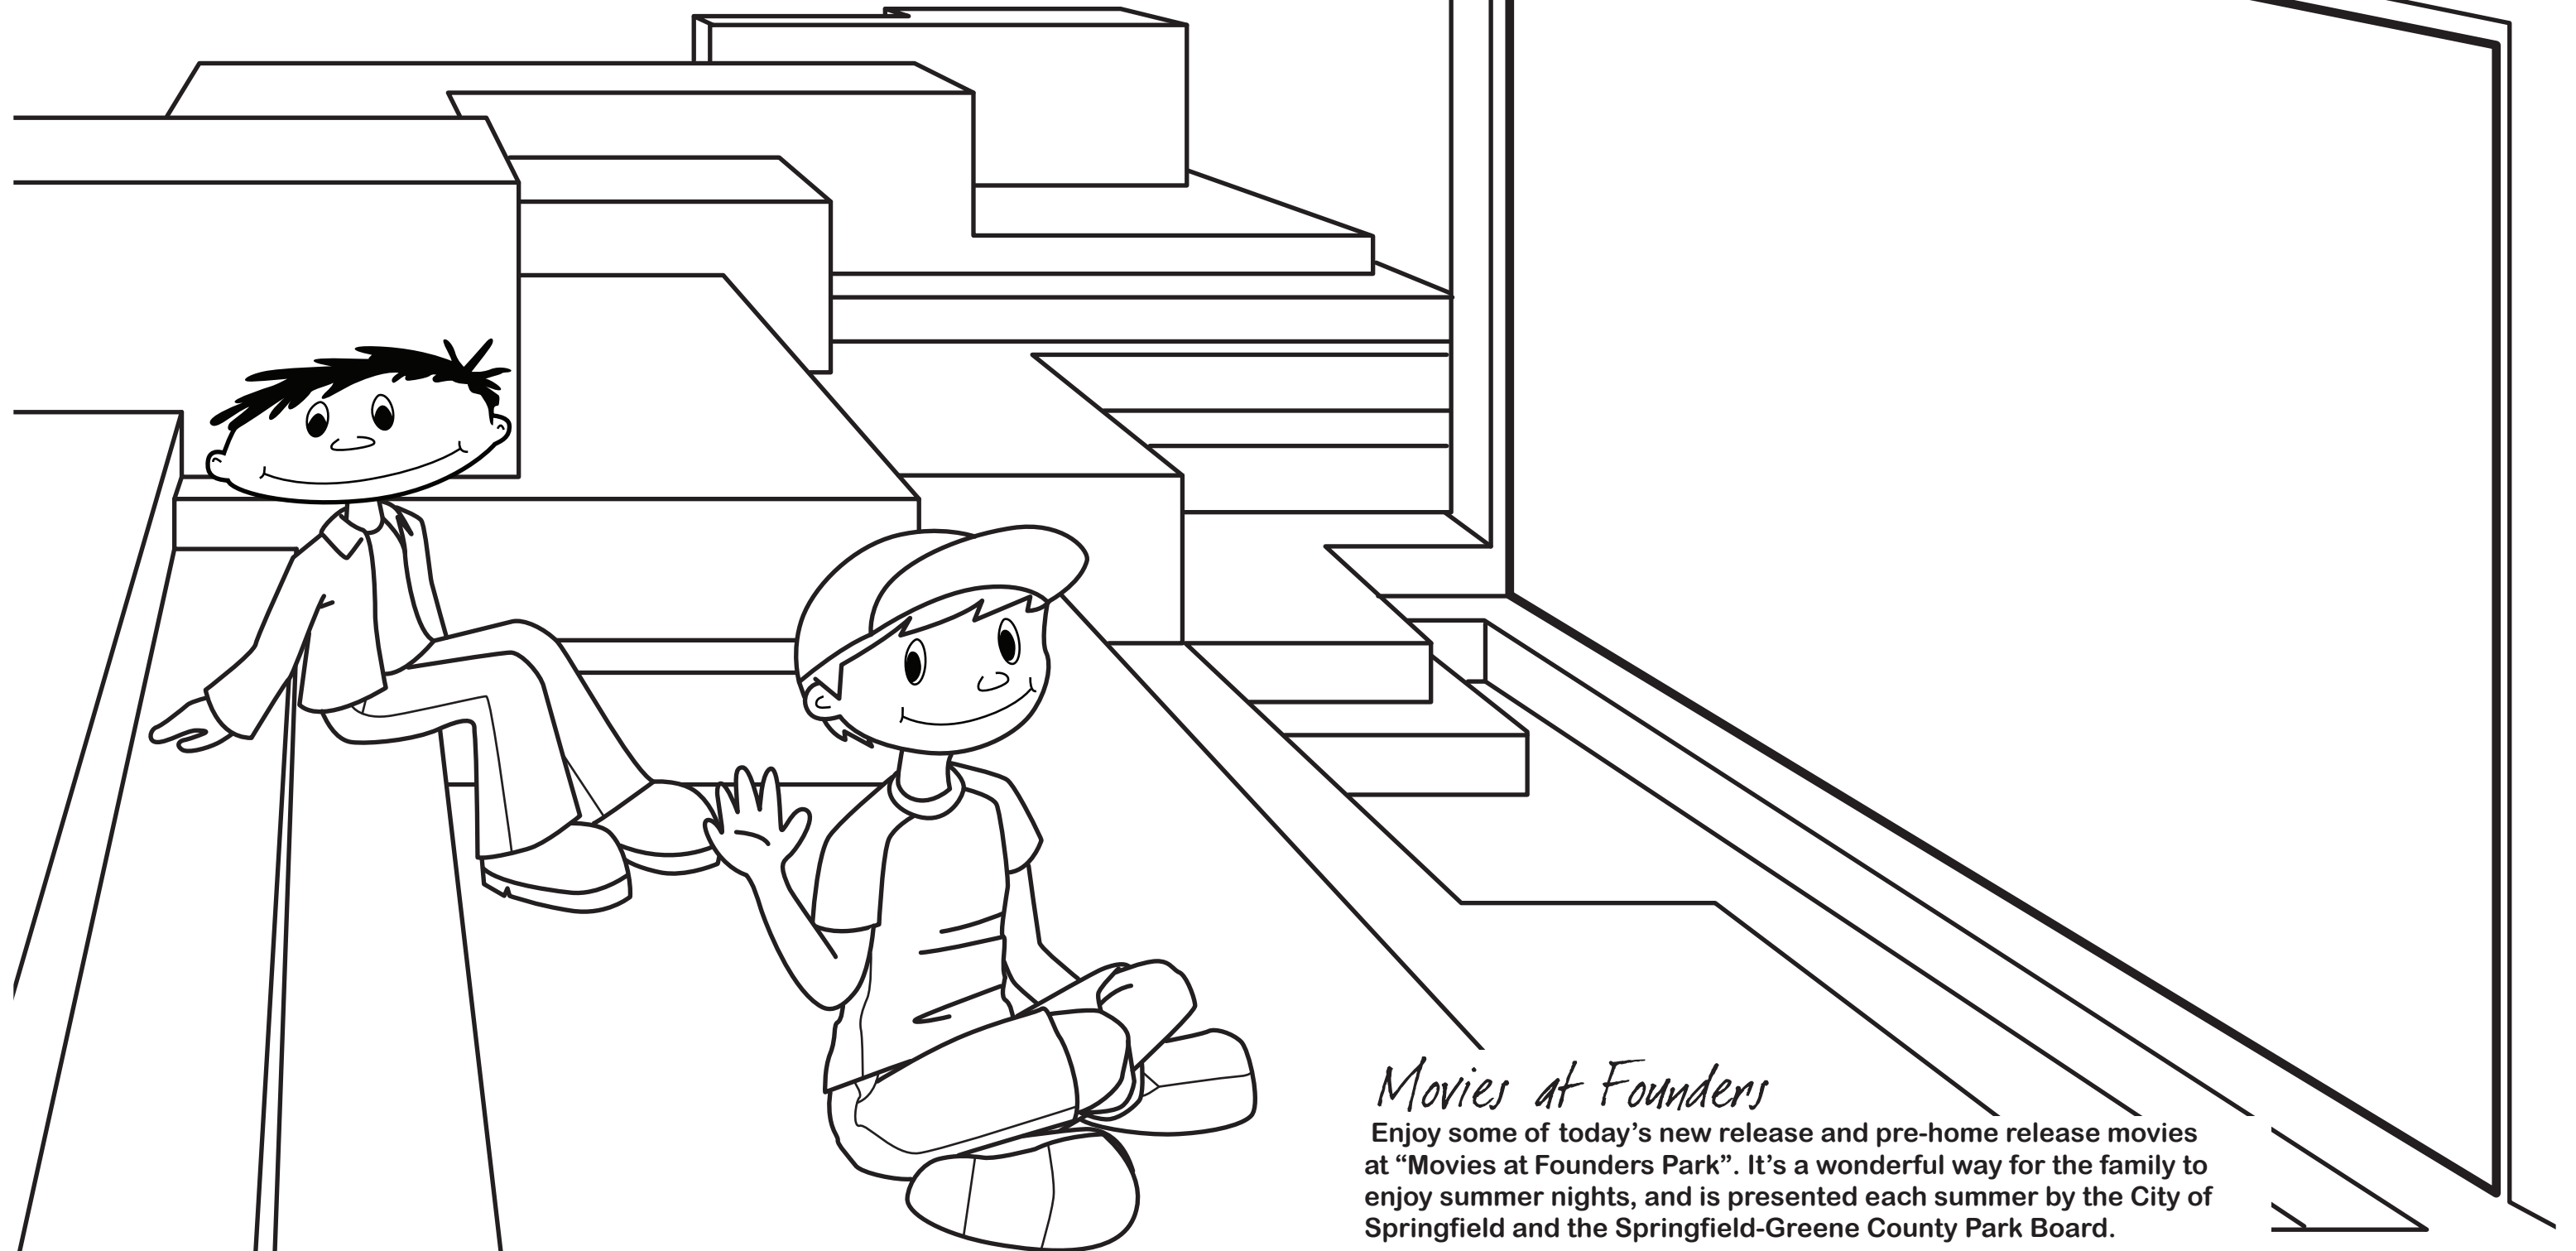

DICKERSON PARK ZOO

Take a walk on the wild side and let your imagination run wild at Dickerson Park Zoo, home to animals from around the world and our own native Missouri habitats.

To consider the consequences of your actions, and to recognize that you are held liable for your choices.

Accountable

Draw a movie for Ed and his friend to watch on the movie screen!

Movies at Founders

Enjoy some of today's new release and pre-home release movies at "Movies at Founders Park". It's a wonderful way for the family to enjoy summer nights, and is presented each summer by the City of Springfield and the Springfield-Greene County Park Board.

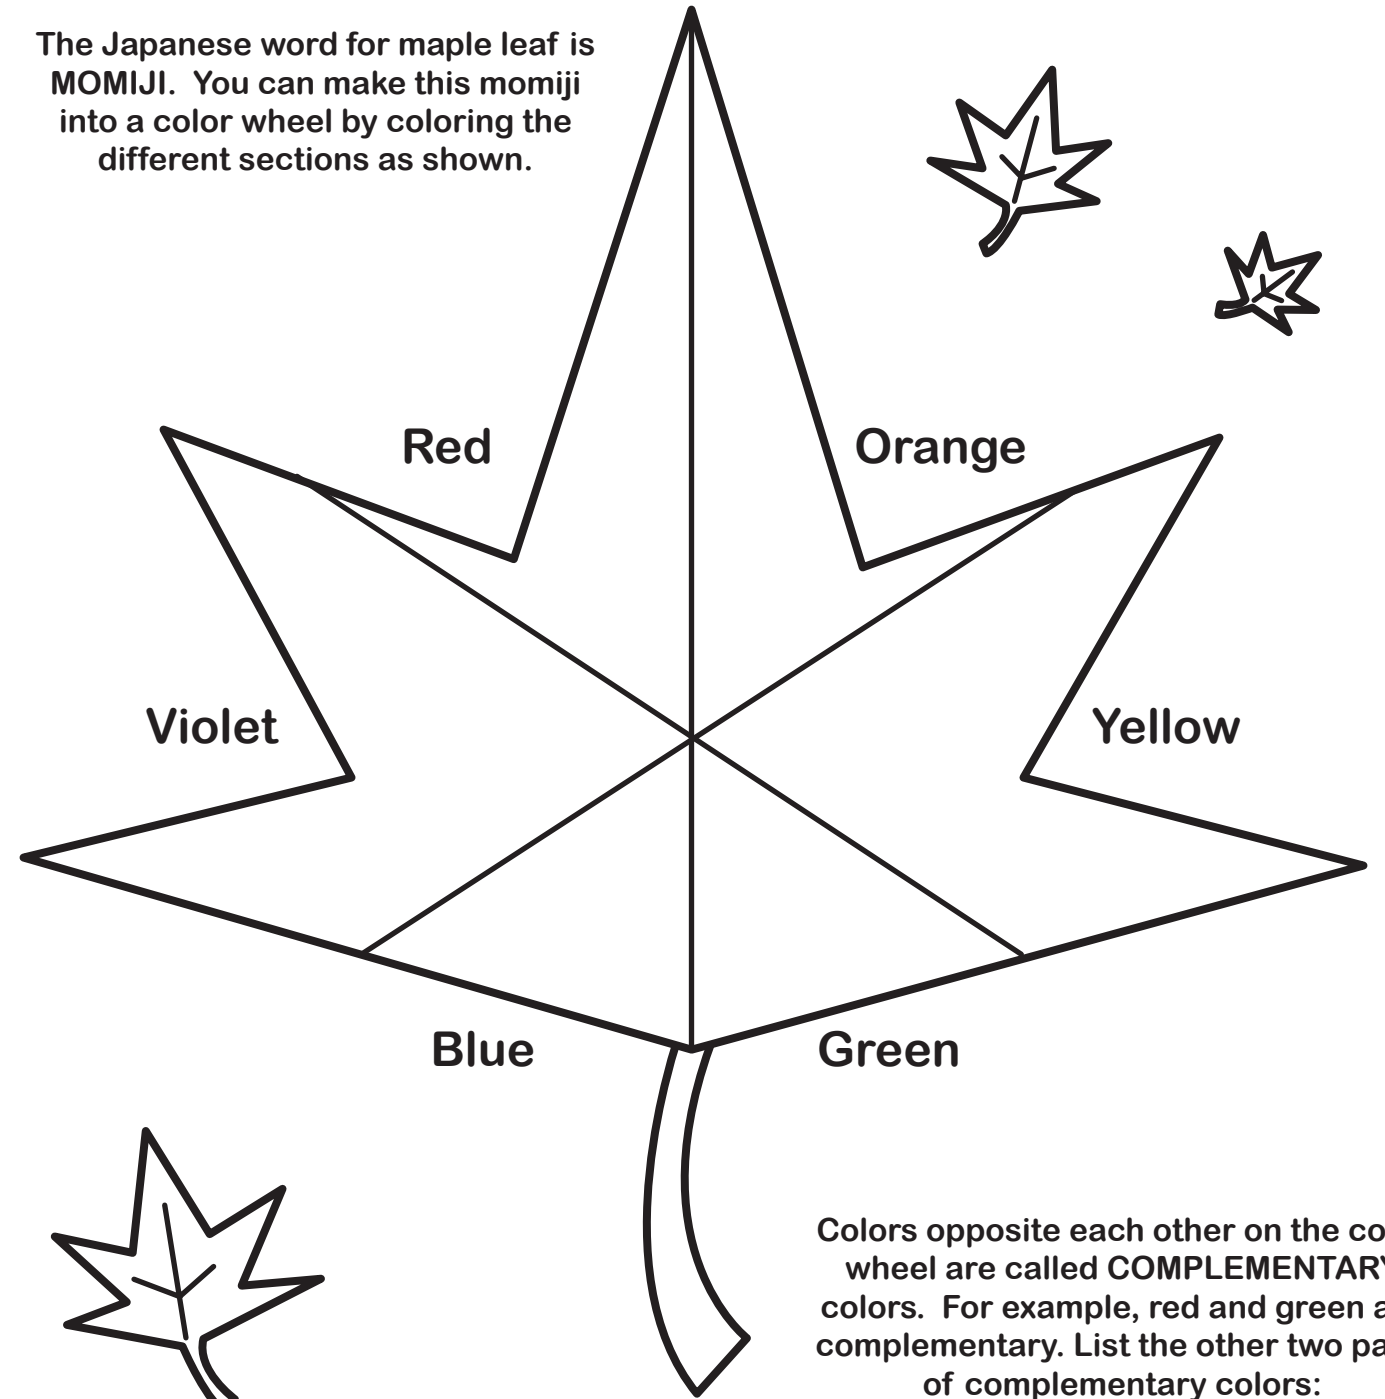

Respect

To show consideration for the feelings and rights of yourself, others, and the world around you.

Make a Momiji Color Wheel

The Japanese word for maple leaf is MOMIJI. You can make this momiji into a color wheel by coloring the different sections as shown.

Colors opposite each other on the color wheel are called **COMPLEMENTARY** colors. For example, red and green are complementary. List the other two pairs of complementary colors:

_____ & _____
_____ & _____

Japanese Fall Festival

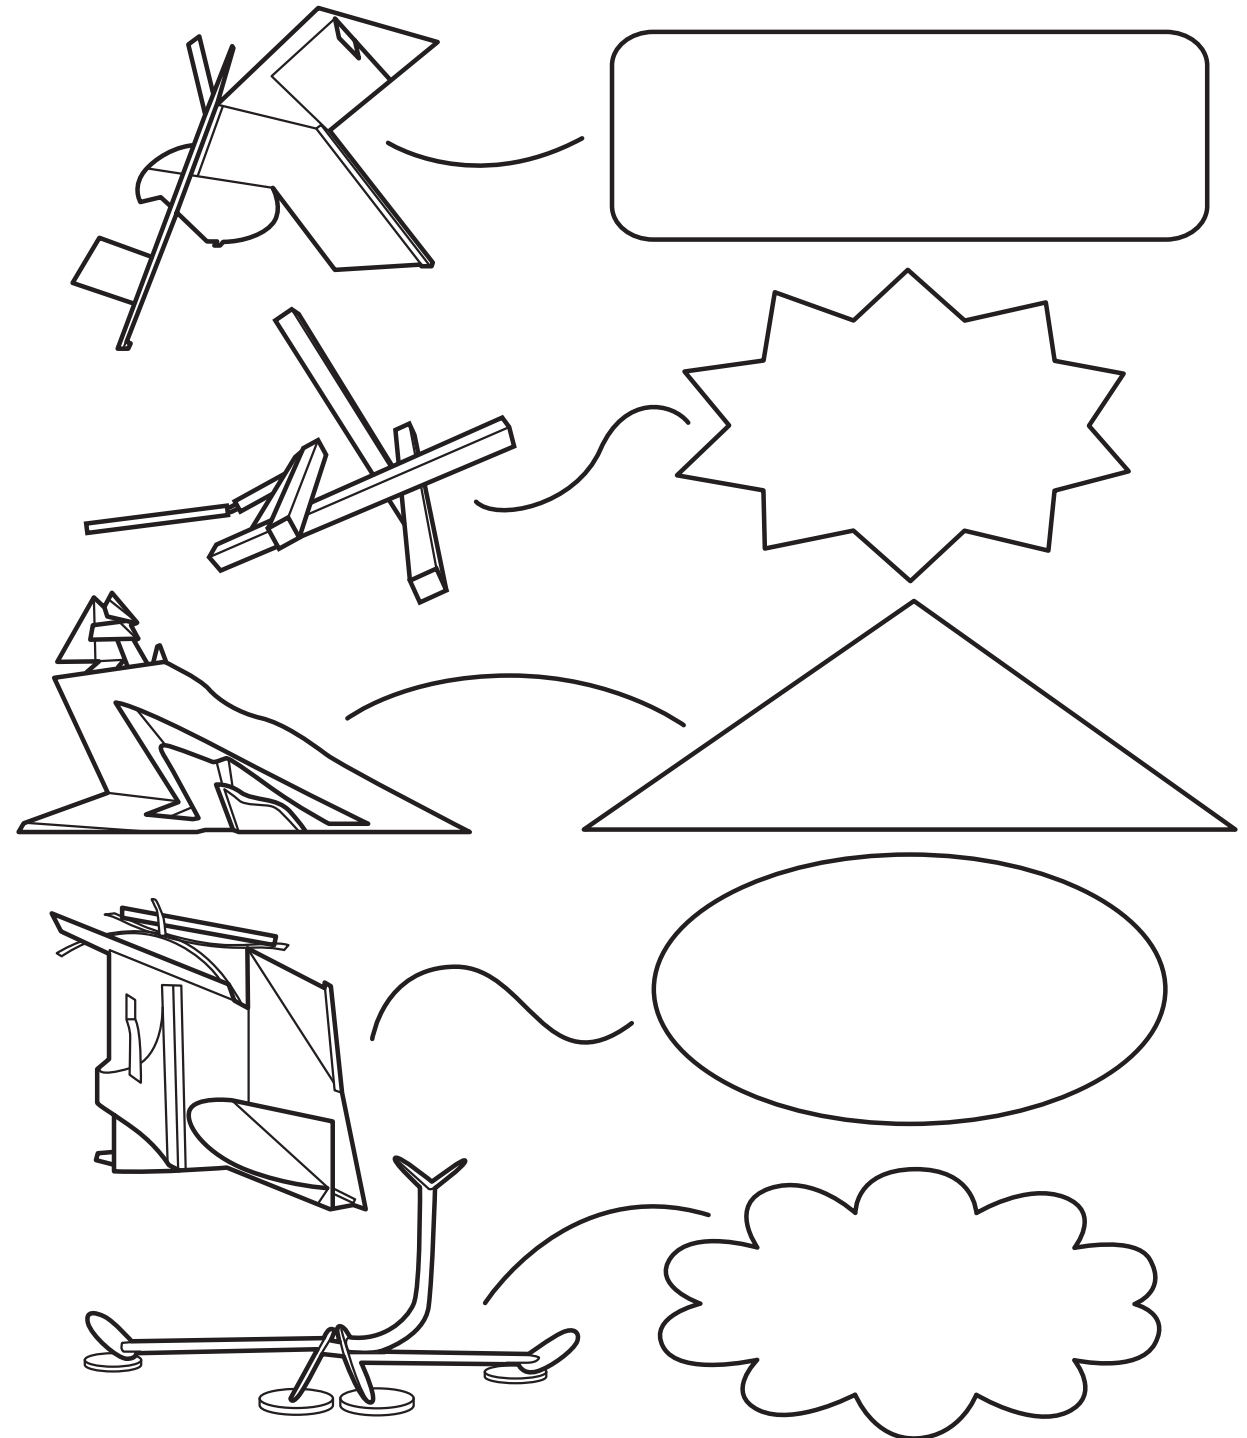

The Japanese Fall Festival takes place each year in September at the Mizumoto Stroll Garden in Nathanael Greene Park. This event brought to you by the Springfield Sister Cities Association and the Springfield-Greene County Park Board features performances, kids' activities, and more.

To follow through with your commitments,
to be reliable, and to use good judgment
in making decisions.

Responsible

The Springfield Art Museum has many outdoor sculptures
like the one Ed is drawing. Color and make up titles for the
sculptures below!

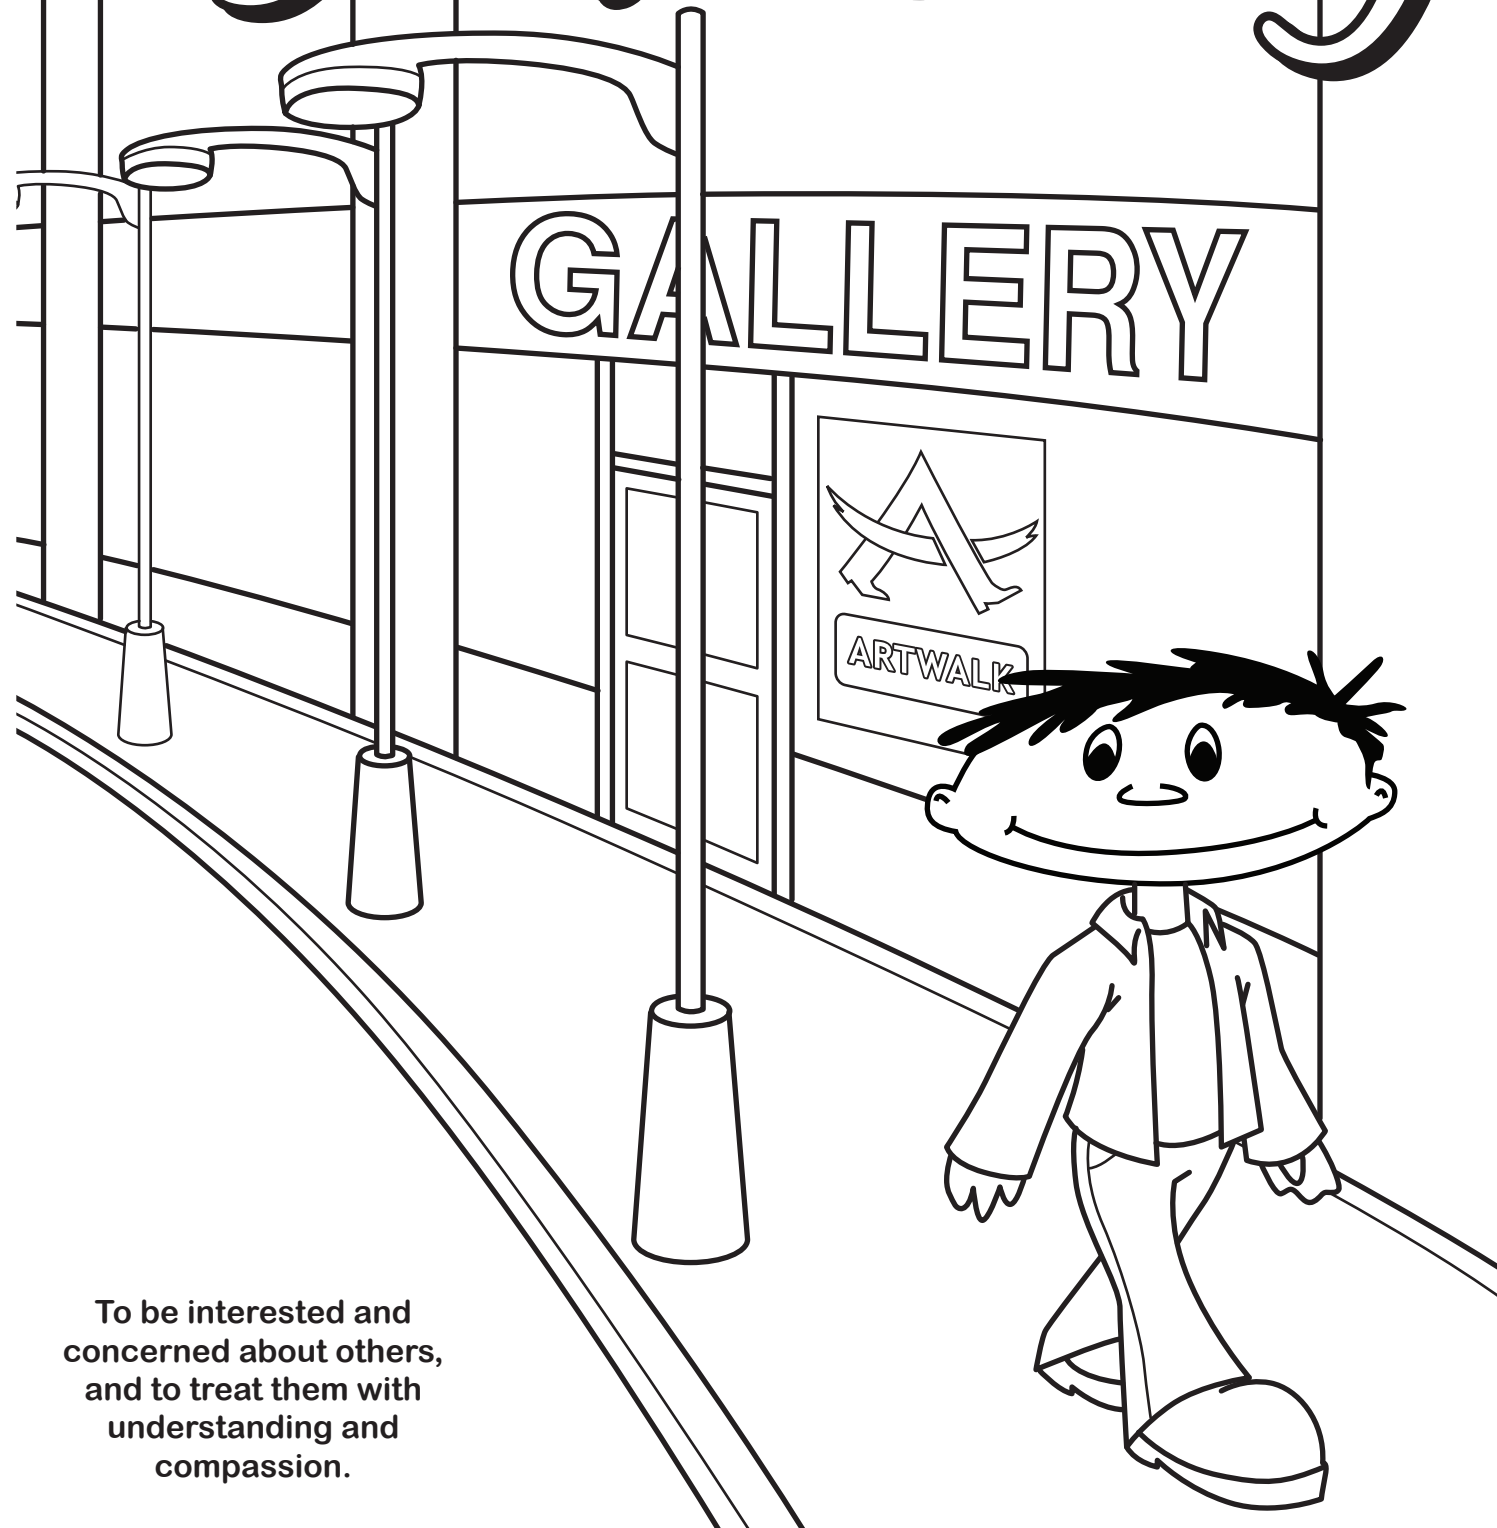

(If you need some inspiration, the real titles are listed in
the back of this book, and the artists' names too!)

Springfield Art Museum

Located on the edge of Phelps Grove Park, the Springfield Art Museum is the permanent home of some 8,895 art objects representing thousands of years of culture.

CARING

To be interested and concerned about others, and to treat them with understanding and compassion.

Can you find all the listed words in the puzzle?
