To All Concerned Parties:

As required by Federal Law and to keep the public better informed, the following notice is hereby sent.

During the 2008 / 2009 school year the School District of Springfield, R-12 has conducted the following asbestos programs.

Periodic re-inspections by Michael G. Tombleson of all R-12 occupied buildings.

All school buildings have asbestos management plans in the office and are available for reading during school hours at that building or the General Service Center located at:

1458 East Chestnut Expressway
Springfield, Missouri 65802
Telephone number 417-523-0400

Respectfully,

Michael G. Tombleson
Asbestos Program Manager
