PERSHING MIDDLE SCHOOL

Welcome to Pershing School! We hope you will find this student handbook helpful. It has been created to give you information about your school's services and activities, as well as explain guidelines that you need to follow in order to have both a profitable and enjoyable experience as a student at Pershing Middle School.

PROCEDURES AND POLICIES

The basic goal of Pershing Middle School is to provide an atmosphere in which each student can be involved in a meaningful learning experience. School policies and procedures are needed in order to achieve this basic goal. Student behavior is always to be guided by the principles of common courtesy and a spirit of cooperation.

ABSENCES

Good attendance is very important for students to do well at school. Absence from school should be kept to an absolute minimum. Appointments, when possible, should be made outside the school day (remember: school gets out at 2:45 p.m.) If a doctor or dentist appointment occurs during the school day, documentation from the doctor's or dentist's office of that appointment should accompany the student upon return to school.

If a student is unable to attend school for any reason, the parents should notify the school office between 7:30 and 9:00 a.m. by calling 523-2415. Parents may also leave a message via voice mail by calling 523-2415 before or after school hours. No contact from a parent will result in an unexcused absence.

Excessive absences or tardies may result in disciplinary action. The attendance officer may be dispatched to check on unreported or excessive absences or tardies.

AFTER SCHOOL

Students should remain in the building after school only for specified organized activities or under the direct supervision of a teacher. Students who stay after school for sports practices will not be allowed to go to their hall lockers after practice.

If it is necessary for you to wait for your parents to pick you up after school, you are to wait outside by the (south) entrance.

BEFORE SCHOOL

Students should plan to arrive at school no earlier than 7:40 a.m. Eighth graders will enter the west gym doors and remain in the gym, seventh graders will enter the west elementary doors and go directly to the elementary gym, and sixth graders will enter the west elementary doors and go directly to the cafeteria. No student is to go to his/her locker or to any other part of the building before 7:50 a.m. The only exception to this rule is if a teacher has issued you a green pass.

STUDENT ELIGIBILITY

Students are encouraged to participate in school activities. If a student is under a disciplinary suspension (ISS or OSS), they may not attend extra curricular activities on the day of their ISS or OSS.

HALLS

There are tardy and dismissal bells. The teacher dismisses students from class. When you are dismissed from one class, go by the shortest route to your next class. All students are expected to be punctual.

All students in the halls should practice common courtesy. Running is not allowed. Keep your hands to yourself! When walking, stay to the right side of the hall. At the water fountains, form a line next to the wall; get your drink quickly, and go directly to class.

HALL PASSPORTS

When you are in the halls for any reason during class time, you should have your assignment book with you with the hallway passport completed by your teacher who has given you permission to be out of class. The hallway passport pages are located in the back of your assignment book.

The hallway passport should have the date, time in/out of class, your destination and the teacher's name. When you return to class, your teacher will enter the time you returned to class in the "time in" box.

It is extremely important that you keep your assignment book with you at all times; please do not lose it.

Hallway passports should be used only for necessary or emergency trips. You should plan far enough ahead that you would rarely need to leave your class. Students who make excessive use of hallway passports by asking to leave classrooms

for non-essential reasons may lose the privilege of being issued a passport by any teacher.

Students will not be allowed to purchase food in the cafeteria after 8:00 a.m.

HOMEWORK-MAKEUP WORK

Individual teachers set their own homework policies. If a student is absent from school it is the student's responsibility to find out what they have missed and to make up the work.

Regular attendance is extremely important. Absenteeism makes it hard for students to keep up with course work and may result in grade reductions. Parents of a student who is absent may phone their student's core team teachers and request homework assignments. (See "Faculty Members, Conference Time, and Phone Extensions" for school phone number and extensions.) Assignments may be collected in the main office after 2 p.m.. It is the obligation of the parent to collect the assignment, and it is the obligation of the student to complete all listed assignments

LEAVING SCHOOL EARLY IN THE DAY FOR ANY REASON

Please make appointments outside the school day when possible in order to keep absences at a minimum. If you must leave during the school day, you need to bring written permission from a parent or guardian to the office before school. The office secretary will issue a "Permit to Leave School" form to you. Parents MUST come into the front office to check students out of school. The student will then be released to the parent.

NURSE

A registered nurse is at Pershing School on a full-time basis. The phone number is 523-2430. Parents should follow the Board of Education policy regarding medications at school. Students may not be in possession of any over-the-counter or prescription medication.

No student is to use crutches without a doctor's note.

TARDINESS

Students who are tardy to school (after 8:00 a.m.) must check in the office. A student who is tardy to a class from another class must have a passport completed by the sending teacher. Office personnel will not issue passports unless they cause the tardy.

A student who receives three tardies (per semester) will serve 30 minutes in after school detention. Continued violation of the tardy procedures could result in a suspension.

USE OF SCHOOL TELEPHONES

School phones are for school business only. A student may use a school phone for emergencies, such as a teacher requests that he stay after school and he needs to notify his parent. The only phone for emergency student use is located at the counter in the main office.

VISITORS TO SCHOOL

All visitors to Pershing Middle School must report to the attendance office upon arriving on school grounds. All visitors will be issued a visitor's badge and asked to leave their keys. (Please refer to "Safety Procedures at Pershing," page 7.). Pupils are not permitted to bring visitors to Pershing during instructional hours (7:45 a.m. to 2:45 p.m.)

SCHOOL-LIFE SKILLS

ASSEMBLIES

During the year Pershing will have some educational and entertaining assemblies. These assemblies will be a mixture of student-teacher produced programs and outside productions. In order to assure that all Pershing students will have an opportunity to benefit fully from the assemblies, it is requested that three simple guidelines be followed:

1. Go to and from the assembly with your class. Follow your teacher's instructions for your assigned seating area.
2. Be attentive to the assembly program and considerate of all people on stage and around you.
3. Demonstrate school spirit with a positive attitude. (Performing is not always as easy as it looks.)

If these simple guidelines are followed, everyone can enjoy assemblies at Pershing.

Students who do not follow these guidelines may be denied the opportunity to attend future assemblies. Students who have lost assembly privileges due to poor conduct at prior productions will be told to report to the office during assemblies, and they will spend their program time there. We hope that there will be no need for this procedure, but we inform you of this so that all students may have an equal opportunity to enjoy all of the assemblies.

BOOK BAGS

Book bags are a wonderful way to transport books to and from school. However, large suitcase type bags cause problems in the hallways and classrooms. For safety concerns, all book bags **MUST** be kept in locked lockers. We recommend clear or plastic book bags.

Book bags will not be allowed at school the last two days of school, after locker clean out has occurred.

CLASSROOM BEHAVIOR

Specific classroom expectations will be outlined by each classroom teacher. However, common practices include:

1. Bring to class the books and materials you will need - paper, pencil, textbooks, assignments, etc.
2. To provide for an orderly classroom, do not leave your desk or speak without permission of your teacher.
3. Exhibit common courtesy and a cooperative attitude towards students and teachers.
4. Display a positive attitude.

Pershing students take great pride in their attitude toward school and the opportunity to learn. Appropriate behavior is expected at all times. No student will be allowed to prevent another student from learning and/or a teacher from teaching.

FINAL EXAMINATIONS

Final examinations or other appropriate evaluative activities are to be administered in all middle school classes at the close of each semester. The final examinations may be comprehensive in nature.

LOCKS AND LOCKERS

Each student is assigned a hall locker and a combination lock at the beginning of the school year. Protect your personal possessions by keeping your lock combination secret and padlocks locked. Articles are left in lockers at the student's own risk. Students are not allowed to change lockers without teacher approval.

The following regulations apply to the use of your hall locker:

1. Every pupil should use the locker that is assigned to him and only that one locker.
2. The lock that is issued to you is to be used all of the time on your locker.
3. The following times should be used for going to your locker:
 - Before school, when you should get all books and materials for your morning classes.
 - Before third block, when you should get all materials for your afternoon classes.
 - After school, when you get your books and apparel for going home.
 - In an emergency situation, when you have a hall passport with permission from your teacher.
4. Students are not to place contact paper or stickers on the inside or outside of their locker.

Directions for opening your combination locker:

1. Turn dial to the right > three whole turns, then stop at your first number the fourth time around.
2. Turn dial left < past the next number, then stop at that number the second time.
3. Turn dial right > to the third number and stop.
4. Pull on lock to open.

LUNCH

Each student is assigned to a lunch period. The following suggestions address behavior and procedures to be followed during the lunch period:

1. When you come to lunch, do so in a polite and orderly manner. All students in a class are to come to the cafeteria as a group. Saving places and cutting in line is not permissible.
2. Pershing students have an option for a hot or cold lunch. Enter the south door to purchase lunches.
3. Students who bring sack lunches from home should enter the north door and go sit at a table.
4. Pershing students are responsible for bringing their own money for lunch each day. We will not allow students to "mooch" or borrow money throughout the cafeteria.
5. During your lunch period, you are not to leave the cafeteria without the permission of the cafeteria supervisor. Please remain seated except to purchase food or return your tray.
6. After you have eaten, return your tray to the window. Leave the area where you have eaten neat and clean. We need your help to keep the cafeteria clean for the students who will be eating there after you have finished.
7. Following your meal and clean up, you should return to your table and sit until you are dismissed to go back to class.
8. If you wish to put money on your lunch account, see the cafeteria manager when you arrive at school in the morning (7:45 to 8:00 a.m.).
9. Please be considerate of others when you are in the lunchroom. If we are polite and mannerly to each other, we can enjoy a nice and pleasant lunchtime at Pershing Middle School.
10. Students are expected to remain on campus for lunch. Parents are welcome to come to school and have lunch with their child.
11. For health and safety reasons, parents may bring food from home or businesses for themselves and their child ONLY. Parents who bring food for their child must report to the office and remain in the office until their child arrives to pick up their lunch. Parents should have made prior arrangements with their child that they would be bringing lunch to school.
12. No food or drink will be permitted outside the cafeteria.

13. There will be no open containers in the hallways during the school day.

PERSONAL PROPERTY

Do not bring large amounts of money or other valuables to school. Students are not allowed to bring skateboards, scooters, radios, tape recorders, compact disc players, Ipods, digital cameras, tape players, CDs, cassettes, and electronic games to school. The school is not responsible for lost or stolen possessions.

Cells phones are allowed at school; however, they cannot be visible in the building, and they must be turned off upon entering the building.

Girls should keep their purses with them at all times. Do not leave them in the classroom during lunch or assemblies.

Squirt guns, yo-yos, laser pointers, collectible cards, playing cards, and other toys or games are distractions and are not allowed in school. Give your attention to school not "play time."

All foods (including candy bars, Tootsie Roll pops, apples and cookies) are to be eaten in the cafeteria only, not in the hallways, nor in classrooms. Candy is not to be sold or distributed at school.

Lighters and matches are not permitted at school.

Personal note writing is prohibited and may result in a suspension.

SCHOLASTIC ACHIEVEMENT

To be eligible for *student activities*, a student must maintain a grade point average of 1.5 (C-) and receive no more than one "F" per grade period. Each quarter grade period shall be treated as a separate unit of time for grade eligibility purposes. Seventh and eighth graders' eligibility shall be determined by their final semester in the previous grade.

If an *athlete* is failing one class, they are eligible to practice but not to participate in games/meets until the grade is brought up to a passing grade. If an athlete is failing two classes they are ineligible to practice or participate in games/meets until grades are brought up to passing grades. Prior to participation in athletics, the previous grade card (semester or quarter) must meet these requirements (including incoming 7th graders.)

The great majority of the students will not have problems with the above qualifications and it is hoped they will take advantage of the opportunities

open to them. The list below provides an idea of the activities available.

Medical physicals, proof of insurance, parent guardian permission and an activity card are required for all sports and cheerleader participation. Physicals taken on or after February 1 are honored for the entire next school year. All items must be on file prior to a student being allowed to practice.

Athletic Participation Cards will be sold in the office. The participation fee must be paid and a physical exam completed before the student is allowed to practice. Total refunds will be made only prior to the first fall game. The fee not only allows participation but also will admit the holder in free to any contest conducted by the R-12 School District (excluding MSHSAA-sponsored events) during the year. There is a \$5.00 replacement fee for lost participation cards.

Soccer is not a school sponsored event so these players do not have to purchase the Athletic Participation Card.

Students and parents must sign a Citizenship Card in order for the student to participate in any activity.

If you qualify for free or reduced priced lunch you can get a participation fee card for free in the main office.

SCHOOL ATTIRE

The Springfield Board of Education stipulates that the responsibility for the appearance of pupils enrolled in the R-12 School District rests with the parents and with the pupils themselves.

When student dress is considered disruptive or unsafe the student may be required to change to appropriate clothing or be removed from the school program. Some general guidelines are as follows:

- A. Hats, bandannas or other forms of head covers (“hoods” on the “hoodies”) are not to be worn in the school building
- B. Shoes must be worn at all times. Slippers or house shoes are not appropriate footwear. Heely’s (shoes with retractable skates) are not allowed.

- O. Backpacks/Bags: Students are encouraged to use clear or mesh backpacks/bags.

****SCHOOL ATTIRE GUIDELINES APPLY TO ALL SCHOOL FUNCTIONS AND ACTIVITIES.**

SCHOOL DANCES

Throughout the year the Student Council sponsors school dances. All dances will be casual; there will be no formal or semi-formal dances at Pershing.

SCHOOL BUS TRANSPORTATION

The privilege of riding a school bus is extended to those students who conduct themselves in a manner prescribed by courtesy, school board policies, and the bus driver. Students must be on time to the pickup points for both the trips to and from school or risk being left. Students are to ride only the bus they are assigned and are to get off only at their designated stop.

The bus you ride is seen by others in the community, and our school will be judged by what community members see and hear. Considerate behavior is expected as you ride to and from school. If these requests are not followed, bus tickets will be issued and students will be denied the privilege to ride the bus for a specific period of time depending on the severity and frequency of the problem. A student who qualifies for bus transportation may on special occasions ride another bus or be let off at an alternate stop provided the student brings a permission note from his/her parent or guardian. The principal or assistant principal is required to sign this note indicating approval. Permission will not be granted by telephone.

BUS TICKET POLICY

The procedures for bus tickets include:

- 1st ticket--Student will receive a warning. Student will hand write the bus rules and have them signed and dated by a parent.
- 2nd ticket--Students will lose the privilege to ride the bus 1-3 days.
- 3rd ticket--Student will lose the privilege to ride the bus for 3 -5 days.
- 4th ticket--Student will lose the privilege to ride the bus for 5-7 days.

5th ticket--Student will lose the privilege to ride the bus for 7- 10 days.

6th ticket--Student will lose the privilege to ride the bus 10 days to permanent removal.

FIVE STAR GENERAL AWARDS

Students are chosen monthly for this high award for their positive contributions to the school environment from the respective teams.

Information about these five star generals is posted in the window by the front office.

STUDENT BEHAVIOR

The rules of behavior at Pershing Middle School are based on consideration of others. All students (and staff) should consider the dignity, welfare, and property of others as they interact in the school setting.

The following are some examples of student behavior that violate school policy when they occur at school or school activities. While this list is not all-inclusive, students may be disciplined for any of the following:

1. The use of improper language,
2. Fighting - Physical contact (pushing, hitting, shoving, kicking, etc.)
3. Rowdy behavior such as inappropriate yelling, whistling, running, etc.
4. Leaving a classroom or school building without permission,
5. Class tardies or cuts,
6. Destruction, damage or theft of school or private property,
7. Threatening, intimidating or causing bodily harm to any person. Harassing others by the use of inappropriate words, threats, intimidation, body contact or other acts that can cause physical or mental harm.
8. Display of defiance and disrespect towards staff.
9. Inappropriate displays of affection,
10. The possession, transmission, and/or use of tobacco, alcohol, or any illegal drug.
11. Starting/Spreading rumors or threats of violence against any person or school property.

STUDENT ASSIGNMENT NOTEBOOK AND ORGANIZATIONAL SKILLS

One goal of Pershing Middle School is to assist students in developing skills, which will prepare them to accept responsibility. In an effort to help students develop good organizational and study habits, an assignment notebook is required.

Each student is asked to maintain an assignment notebook that he/she will take to all classes. Sometime during each class, the teacher will direct students to open their notebooks and write the date and assignment for that particular class. Other information, such as work completed in class, due dates, test dates, and handout sheets, may be included in the assignment book.

Parents are encouraged to monitor the assignment notebook by checking it frequently. If a student repeatedly claims he/she has no homework, parents need to check and verify with the student what assignments have been completed and what information needs to be reviewed for test. Therefore, students need to take their assignment notebooks home each day.

Expecting students to take responsibility for writing down and completing assignments will improve study and organization skills.

The assignment notebook serves as a communication tool whereby students, parents, and school personnel can monitor a student's individual work.

SAFETY PROCEDURES AT PERSHING

For everyone's safety, the following safety measures are practiced daily at Pershing School:

- All Pershing exterior doors are locked, with the exception of the south entrance center door, once school is in session. We have practiced this procedure for the past few years.
- All visitors, volunteers, and district personnel are required to check in at the attendance office where they will receive a visitor's badge. Visitors will be asked to leave their keys with the attendance secretary while in the building. When the visitor is ready to leave the building, he/she will return to the office, turn in the badge and receive his/her keys.
- Staff members have also been advised to question any individuals they do not recognize in our building.
- A security mirror has been installed so the school secretary can observe who enters the south entrance of the building.
- Students **MUST** store all coats, jackets, and bookbags in locked lockers.
- Unoccupied lockers are also kept locked.
- Classroom doors are kept in the locked position during class.

- Classroom breaks should be kept to a minimum. Restroom breaks are allowed on emergency basis during class.
- Students and staff practice a “lock down” drill three times a year in the event an intruder enters our building. There are specific procedures in place for such a drill.
- Rumors will be taken very seriously. The Pershing administration and security officer will investigate every rumor. Severe consequences are in order for students who start a rumor or threaten another student.
- Pershing does have 32 security cameras installed inside and outside the school.
- Pershing is a very safe school and rest assured we will continue to maintain a safe, positive learning environment for Pershing students.
