Halloween Night Safety

Friday is Halloween and we want to remind parents and students to have a safe and fun night. Remember to walk in pairs and to use a flashlight so you can be easily seen.

Never go into a stranger's house. Have your parents check your candy before you eat it and never eat any candy that is open or looks like it has been tampered with.

Principal's Pride 200 Club Members

Last month we told you how the *Principal's Pride 200 Club* worked and you must have been listening in a **Responsible** manner.

On October 8th, we held our first drawing and the 15 winners were: Lupe Mendez, Naomi Catt, Levi Maasen, Brook Pratt, Kaleb Wood, Ariana Donjuan, Chance Levings, Emma Boyd, Brenna Dougan, Audrey Vaughan, Tyler Lawson, Jessica White, Madison Wyatt, Matt Twedell and Nick Vaughn.

The reward for this group of Self Regulated, Respectful, and Safety conscious students was 30 minutes of free exploration in the Computer lab. These young people did an awesome job. WOW!!!

Congratulations to our winners and to all of the students who participated in the first Principal's Pride 200 Club.

Remember, all the teachers and staff are watching and you may be in the next group of winners!

At Portland we have P.R.I.D.E.

The Big Event

The *Big Event* was held on October 31st, with a "Fear Factor" theme. Over 200 students participated in the *Big Event* this month!

There were six events for students to compete against each other for prizes and fun. The games were:

- ***Sour-A-Thon*** a game to see who could hold a lemon in their mouth the longest. (**Sweet**)
- ***Scoop Relay*** a game in which everyone had a purr-purr-fect time digging for sweet rewards.
- ***Digging for Eyeballs*** had everyone seeing their favorite foods, (brussel sprouts and grapes) being passed back and forth between each student.
- ***Worm Carry*** was loved by everyone because of the slimy relay and the chance to be the first team to fill their bowl.
- ***Dumpster Dive*** was a "search" game and students were asked to find certain items. Each item was placed in a wonderful location, the bottom of a trash can! The can was filled with trash from all the rooms. Paper, bananas, milk cartons, and socks were just a few of the goodies they had to dig through to get their prize.
- And last but not least, in the games, was the ***Monster Mash***. Students played musical chairs to the song and had a graveyard smash.

***A GREAT time was had by ALL
— just ask us!***

October Great News Portland!

Did you know that *over 100 Portland Panthers* all earned 100%, 99%, 98%, 97%, 96%, or 95% behavior percentages this month?

That is almost half of the entire student population at Portland.

We also saw an increase in the number of students who earned an invitation to the Big Event.

Great job students, parents, teachers, and staff!
