Our Continuous Classroom Improvement Goal for last week was :

Write numbers from 0—20 or higher. We all improved or met our goal. Yippee!!

*Dear Kindergarten Parents and Guardians,*

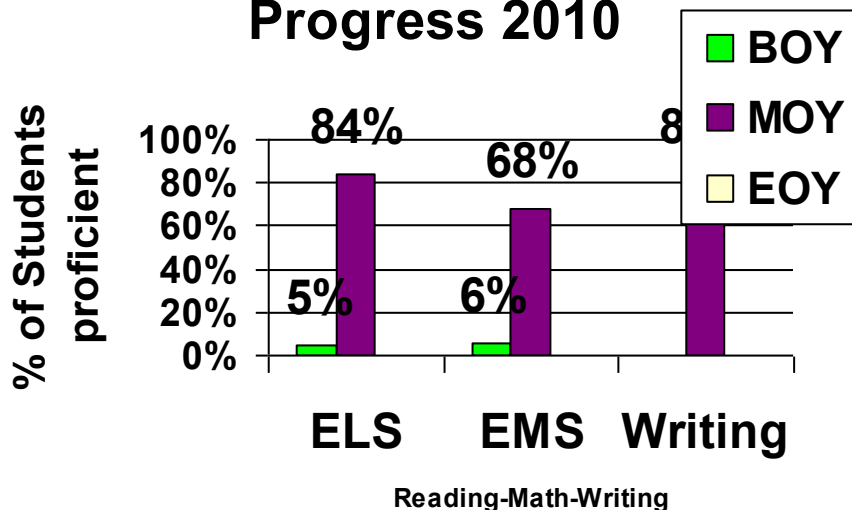

*We have just finished our middle of the year testing. I hope you took time to celebrate successes on your child's report card. I am so proud of your children and the progress that they continue to make. I explained to them that we are half way to First Grade. Thank you for everything you are doing to support your child's learning. Please contact me, if you have any questions about your child's report card.*

*Thank You,  
Mrs. Norton*

Students enjoy working at math corners together. This gives opportunity for differentiated learning and meeting the needs of all children.

## Mrs. Norton Student Progress 2010

We are so proud of our mid year scores. Let's celebrate growth and improvement. Some students are already proficient in some areas and will work on moving to be advanced in ELA, (reading) EMS, (math) and writing. **Wow!!**
