Our Continuous Classroom Improvement Goal for this week is :  
Recognize numbers 0-10 or higher.

The class thought of some great ways to help each other learn.

*Dear Kindergarten Parents and Guardians,*

*It was such a pleasure to get to meet each one of you during conferences. Let's celebrate the improvements and learning that has taken place. As we partner together, I know we will continue to see your children grow and experience success in school. Please let me know if you have any concerns that were not covered during our conference.*

*Mrs. Norton*

**Students having fun learning at Discovery Center.**

In spite of the big chill, our field trip to Rutledge-Wilson Farm included terrific, hands-on learning experiences.
